MONTHLY UPDATE

**Australian Off the Beaten Track** Murray White has travelled extensively throughout Australia in his 4wd, exploring many lesser known destinations. He is an experienced bush mechanic and skilled in all aspects of four-wheel driving.

His articles and photographs on 4wd trips have been widely published in books, magazines and newspapers. Anthony McLaren is an inveterate traveller, and his favourite destination is 'somewhere new'. A keen bushwalker and bird observer, he likes nothing better than to be in camp, reading maps, making notes and enjoying Australia's great diversity of scenery. Anthony has contributed to a range of magazine and newspaper articles, and his photographs have appeared in a number of publications.

**The Mitsubishi 4G63t** is one of the most potent engines on the sport-compact scene, and its ability to be modified to incredible power levels makes it extremely popular with performance enthusiasts. First book to focus specifically on the 4G63t engine (as opposed to the various vehicle platforms in which the engine appears), allowing much greater depth and focus on what most enthusiasts really care about – horsepower. Written with the assistance of Robert Garcia of Road/Rac Engineering, the premier Mitsubishi performance shop in the United States, it will be the definitive book on 4G63t performance.

### A Third Wheel: The Eccentric Alternative A Guide to Sidecars and Trikes

Almost everyone has a fascination with sidecars and trikes. Eccentric, even distinctly odd perhaps, but who hasn't experienced the urge to take a closer look, possibly even to ride one, if only once! This book is a guide for those willing to take that plunge into the unknown and fit a sidecar or convert a bike to a trike.
