Atlas of Australian Surfing

Atlas of Australian Surfing Traveller's Edition by Mark Warren Book Description The first edition of Mark Warren's Atlas of Australian Surfing was a bona fide classic of sports publishing, a book that today can be found in almost every Australian household. The new revised Atlas – totally updated, with hot new pics, maps information and travelling advice, was published in 1998 and has exceeded every expectation and sold through the roof. It's a must-have for any surfer. BUT, who wants to take their treasured hardback copy with them in the Kombi to get all battered and bashed. This, newly jacketed, new format, condensed edition can be slung into the glove box, in with the thruster or Malibu and be the totally user-friendly guide necessary for finding the best waves in Australia.
